- CE approved

Technical data		
Interface	RS232 (9-pole SUB-D-socket, level: $\pm 5$ V)	
Auxiliary power	DC 12 V $\pm 15$ % / 100mA	
Connection power supply	Jack push according to DIN 45323	
Admissible operating temperature	0 ... +50 °C	
Admissible storage temperature	-10 ... +70 °C	
Climatic class	KWF according to DIN 40040	
Housing	Black plastic housing	
Protective system	IP30	
Weight	Ca. 0,2 kg	
Dimensions		
Scope of delivery	Programming station TAG 6781-24	Order number: 899 18 678124
	Cable for Interface RS232	Order number: 496485
	Power supply	Order number: 496476
	Software „TAGPROG“	Order number: 001 899 16001
