

# BARTEC Safe.t® Newsletter

Current Information on the World of Safe.t Technology

Dear Sir or Madam,

The BARTEC Safe.t® Newsletter provides you also in 2008 with current information on new products and trends in the BARTEC World of Safe.t Technology. This time the focus is on our new Mobile Computer MC 9090<sup>ex</sup>. Furthermore we would like to present a current application of the BARTEC ATEX Service to you.

Kind regards

Your BARTEC Newsletter Team

## Mobile Computer Awarded

The special features like real-time data access with WLAN radio technology as well as a maximum operating time between charging sequences thanks to lithium-ion batteries convinced! BARTEC received 22.5% of the 1,700 votes that were cast at SPS/IPC/DRIVES 2007 in Nuremberg and won the AUTOMATION AWARD...
